DISCLAIMER – Traders Bay

1. General Educational Purpose

The information, services, and materials provided on this website (www.tradersbayfx.com) are offered solely for educational and informational purposes.

Nothing contained on this website or delivered through Traders Bay services constitutes financial, trading, legal, tax, investment, medical, psychological, or other professional advice.

Users should conduct independent research and seek advice from qualified professionals before making financial, trading, investment, or personal decisions.

2. No Financial Advice

Traders Bay is not a licensed Financial Services Provider under South African law (Financial Advisory and Intermediary Services Act) or any foreign regulatory authority.

Participation in mentorship programs, educational services, or consumption of website content does not constitute receipt of licensed financial advisory services.

All strategies, discussions, and case studies are intended solely for general learning purposes.

3. Forex Trading Risk Warning

Trading in the foreign exchange (Forex) market, commodities, cryptocurrencies, indices, and other financial instruments is highly speculative and involves substantial risk of loss.

High leverage can work against you as well as for you.

Warning: You should only trade with money you can afford to lose.

Market conditions can change rapidly, and no past success guarantees future performance.

4. Earnings Disclaimer

Traders Bay makes no representations, warranties, or guarantees regarding earnings, profits, success rates, or financial outcomes.

Any references to potential income, profits, or trading success are illustrative only.

Individual results vary greatly depending on skill, discipline, market volatility, economic conditions, and many other uncontrollable factors.

No content should be interpreted as a guarantee of earnings.

5. Investment Risk Disclaimer

Investing and trading carry inherent risks that may result in substantial or total loss of capital.

Users should carefully consider their investment objectives, experience levels, and financial circumstances.

Participation in financial markets involves risks that Traders Bay cannot eliminate.
No educational service or mentorship offering guarantees protection against loss.

6. No Client-Advisor Relationship

By engaging with Traders Bay, its website, services, or representatives, Users agree and acknowledge that no fiduciary, advisory, or professional-client relationship is created.

No personalized advice is provided.

Users retain full responsibility for their trading, investing, financial, and personal decisions.

7. Testimonial and Endorsement Disclaimer

Testimonials, case studies, reviews, and endorsements displayed on this website or through marketing materials reflect individual experiences and personal opinions.

They are not intended to guarantee, promise, or represent that current or future clients will achieve similar results.

Results vary based on individual ability, commitment, and external factors.

8. Technical Risk Disclaimer

Traders Bay does not guarantee uninterrupted access to its website, online services, communications, or learning platforms.

Technical failures, maintenance interruptions, cyber-attacks, or external disruptions may occur.

Traders Bay shall not be liable for any financial, emotional, or data losses resulting from technical disruptions.

9. Third-Party Services and Links

Traders Bay may reference or link to third-party websites, brokers, service providers, or educational resources.

Such references do not imply endorsement.

Traders Bay is not responsible for the content, accuracy, legality, or privacy practices of any third-party services.

Users interact with third-party providers at their own risk.
